ABSTRACT

The abstract should be **500-1000 words**. An abstract is an overview or a brief summary of project work, which helps the reader to ascertain the purpose of carrying out the project work.

It acts as a stand-alone entity for the complete project work.

Keywords: Add keywords here.

DECLARATION

I, [Your Full Name], a student pursuing [Your Course and Semester] at [Amity University Online], hereby declare that the project work entitled “[Project Title]” has been prepared by me during the academic year [Year] under the guidance of [Guide’s Full Name], [Department Name], [College/University Name]. I assert that this project is a piece of original bona-fide work done by me. It is the outcome of my own effort and that it has not been submitted to any other university for the award of any degree.

Signature of Student

CERTIFICATE

This is to certify that (Name of student) of Amity University Online has carried out the project work presented in this project report entitled “Title of Project Report.....” for the award of (Name of the Degree along with the Field of Specialization) under my guidance. The project report embodies results of original work, and studies are carried out by the student himself/herself. Certified further, that to the best of my knowledge the work reported herein does not form the basis for the award of any other degree to the candidate or to anybody else from this or any other University/Institution.
